GENERAL ENGINEERING • GENERAL BUILDING

## Executive Summary

**Square One Builders** is a premier Cebu-based construction firm specializing in General Engineering and General Building. Established on May 8, 2015, we have swiftly earned a reputation for excellence, reliability, and innovation. Our commitment to delivering quality workmanship with the highest safety standards is evident in every project we undertake, from road and highway pavements to bridges, airports, irrigation systems, and recreational spaces.

Licensed by the Philippine Contractors Accreditation Board (PCAB) and a proud member of the Cebu Contractors Association, Inc., Square One Builders serves both government and private sector clients with a diverse portfolio of successful projects. Our team comprises licensed and experienced professionals who have undergone rigorous training in construction safety and management, ensuring that we not only meet but exceed industry standards.

At Square One Builders, we *transform blueprints into reality*, providing comprehensive solutions that include materials, labor, and equipment for every project. Our dedication to safety and environmental responsibility is unwavering, as we implement stringent safety protocols and environmental safeguards across all our operations.

We pride ourselves on offering competitive, relevant, and cost-effective solutions that address the unique needs of our clients. With a strong focus on innovation and sustainability, Square One Builders is poised to shape the future of construction in Cebu and beyond, one project at a time.
